CSR PARTNERSHIP PROPOSAL

ACADEMIC YEAR 2026-27

MENSTRUAL HYGIENE & DIGNITY INITIATIVE

Sthree *Swabhiman*

Dignity, awareness, and safe infrastructure for 1,23,000 adolescent girls across 275 government residential institutions in Telangana.

IN PARTNERSHIP WITH

MJPTBCWREIS

GOVERNMENT OF TELANGANA

EXECUTIVE SUMMARY

A government-partnered programme to end period *absenteeism, shame, and unsafe disposal* across 275 campuses.

Sthree Swabhiman is a structured Menstrual Hygiene Management initiative for adolescent girls in MJPTBCWREIS residential schools and junior colleges across Telangana — combining annual awareness, sanitary napkin starter kits, permanent incinerator infrastructure, and Training of Trainers.

The programme is endorsed by a Memorandum of Collaboration with the Secretary, MJPTBCWREIS, and a pilot launched in November 2025 in Warangal reached 1,200+ students.

IMPLEMENTING AGENCY	Give For Society
GOVT. PARTNER	MJPTBCWREIS
INSTITUTIONS	275 girls-only campuses
REACH	~1,23,000 girls annually

THE PROBLEM

For a girl in a rural residential school, her period costs her *four school days every month*.

Across MJPTBCWREIS campuses, menstruation collides with three failures at once: no awareness, no reliable products, and nowhere safe to dispose of waste. The result is silence, shame, and absence.

— FOUR REALITIES OF PERIOD POVERTY

The scale of the gap, in four numbers.

4–5	50%	0	1×
SCHOOL DAYS LOST	UNSAFE ALTERNATIVES	SAFE DISPOSAL SITES	STRUCTURED SESSIONS
Days each girl in a residential institution misses every month due to menstruation.	Of rural girls still use cloth, paper or ash in place of sanitary protection.	Most MJPTBCWREIS campuses have no incinerator —waste is openly burned or buried.	The number of menstrual hygiene sessions most girls receive in their entire schooling.

Source: Programme baseline survey, MJPTBCWREIS pilot, Warangal Dist., Nov 2025.

— OUR RESPONSE

A four-part programme, delivered annually, designed to *graduate to institutional self-reliance* by Year 3.

PILLAR 01 · AWARENESS

Structured MHM sessions in every institution, every year.

One-day workshops on menstrual cycle, hygiene, myth-busting, and emotional well-being —delivered in Telugu.

275 SESSIONS / YR

PILLAR 02 · ACCESS

Starter kits placed in the hands of every newly-enrolled girl.

12 sanitary napkin packs per girl, with a user guide and demonstration on safe disposal practice.

88,000 KITS / YR

PILLAR 03 · INFRASTRUCTURE

Permanent eco-friendly incinerators on every campus.

Two units per institution —a one-time capital investment with a 10+ year service life and on-site training.

550 UNITS INSTALLED

PILLAR 04 · CAPACITY

Training of Trainers, so the programme outlives our presence.

Lady wardens, science teachers, and peer-mentor students are certified to deliver content independently.

825+ TRAINED

— WHAT EACH GIRL RECEIVES

Four interventions, delivered together on every campus.

01 · AWARENESS

One-day MHM workshop in every institution.

Menstrual cycle, hygiene, myth-busting, emotional well-being & incinerator use. Telugu flipbooks + facilitator script.

02 · ACCESS

Sanitary napkin starter kits in every girl's hands.

12 packs per newly-enrolled girl, with a printed user guide and live demonstration on safe disposal practice.

03 · INFRASTRUCTURE

Permanent eco-friendly incinerators on every campus.

Two units per institution. One-time capital investment with a 10+ year service life and first-year maintenance contract.

04 · CAPACITY

Training of Trainers, so the programme outlives us.

Lady wardens, science teachers and senior peer mentors are ToT-certified to sustain delivery from Year 2 onwards.

WHO WE REACH

Targeting the most underserved adolescent demographic in the state.

275	1.23 _L	88 _K	10
INSTITUTIONS	GIRLS / YR	KIT RECIPIENTS	DISTRICTS
146 schools & 129 jr. colleges	Classes VI–XII + Intermediate I & II	Newly enrolled each year	All erstwhile districts of Telangana

COMMUNITY COMPOSITION

Every girl reached studies in a government residential institution from a BC, SC,ST, or minority community —the demographic with the steepest barriers to menstrual health, and the lowest baseline of awareness.

KIT DISTRIBUTION · CLASSES VI–XII

COMMUNITY OUTREACH · NIRMAL DISTRICT

IMPLEMENTATION PLAN

A five-phase annual cycle, anchored to the MJPTBCWREIS academic calendar.

★ KEY ACTIVITIES CLUSTER AROUND SCHOOL REOPENING, SO EVERY NEW GIRL IS REACHED AT THE START OF THE YEAR.

— SUSTAINABILITY MODEL

By Year 3, every campus runs the programme on its own — *without NGO dependency.*

YEAR	GIVE FOR SOCIETY	INSTITUTION
1	Full implementation. Sessions, kits, incinerators, ToT delivered end-to-end.	Observe, nominate focal persons, host facilitation.
2	Partial support. Joint sessions co-delivered with institution staff.	Lead delivery with NGO guidance; manage incinerators independently.
3	Remote only. Refresher content and technical helpline.	Run programme fully independently; maintain infrastructure.

The investment lasts beyond the funding year. **Incinerators have a 10+ year service life.** IEC materials are reusable. Trained staff stay on campus. Peer mentors graduate into the next cohort.

- No recurring product procurement after Year 1 starter kit.
- Self-financing pipeline routed through MJPTBCWREIS allocations.
- Programme survives staff transfers via documented curriculum.

— IMPACT & KPIS

What we measure, and what we commit to deliver.

— SDG & POLICY ALIGNMENT

Contributing to five UN Sustainable Development Goals.

SUSTAINABLE DEVELOPMENT GOAL

3

Good Health and Well-being

Promotes menstrual hygiene; reduces RTIs & UTIs; protects physical & emotional well-being.

SUSTAINABLE DEVELOPMENT GOAL

4

Quality Education

Cuts menstruation-driven absenteeism; preserves school attendance & academic continuity.

SUSTAINABLE DEVELOPMENT GOAL

5

Gender Equality

Challenges period stigma; ensures equitable access to dignity, knowledge & menstrual care.

SUSTAINABLE DEVELOPMENT GOAL

6

Clean Water & Sanitation

550 eco-friendly incinerators end open-burn pollution across all 275 campuses.

SUSTAINABLE DEVELOPMENT GOAL

10

Reduced Inequalities

Exclusively serves BC, SC, ST & minority adolescent girls —India's most underserved.

WHY GIVE FOR SOCIETY

Government-endorsed, award-recognised, with a *pilot already in the ground.*

★ TELANGANA GOVERNOR'S EXCELLENCE AWARD 2025

Corporate Volunteering — Organisation Category. Conferred by Hon'ble Governor Shri Jishnu Dev Varma on the 77th Republic Day, Lok Bhavan, Hyderabad.

§ MOC WITH MJPTBCWREIS

Memorandum of Collaboration signed with the Secretary, MJPTBCWREIS — Lr.No.C2/3357/2025. Full institutional access across 275 girls-only campuses.

⊕ PILOT DELIVERED · NOV 2025

1,200+ students reached in Warangal District. End-to-end workshop, kit distribution, and incinerator install documented.

Training on op. & maintenance	Lump sum	₹2,75,000

— WHAT CSR PARTNERS RECEIVE

Visibility, verification, and compliance — bundled with the impact.

RECOGNITION

Named partner across all 275 campuses

Co-branding on Telugu IEC materials, session backdrops, and partner credits delivered to 1,23,000 girls.

01

RECOGNITION

Branded plaques on 550 incinerators

Permanent metal plaques on every unit —a 10+ year visibility footprint anchored to real infrastructure.

02

REPORTING

Quarterly progress reports with photo evidence

Distribution records, install logs, and institution-wise data — formatted for CSR committee review.

03

REPORTING

Annual impact report & field-visit access

Year-end documentation, sample field visits, and third-party verification on request.

04

COMPLIANCE

Full Schedule VII certification

Utilisation certificates and expenditure data for Companies Act 2013 Schedule VII (Clauses i, ii & iii).

05

COMPLIANCE

Government-endorsed delivery chain

Delivered under a signed MoC with MJPTBCWREIS—full cooperation, named focal persons, audit-ready records.

06

— CALL TO ACTION

Partner with us — to reach *1,23,000 girls* across 275 campuses, starting this academic year.

ROADMAP TO PARTNERSHIP

- 01

Partnership conversation

A 45-minute review with your CSR committee —fit, scale, disbursement.
- 02

Site visit & pilot review

Optional visit to the Warangal pilot —observe a session, inspect an install, meet wardens.
- 03

MoU & milestone-linked disbursement

Sign the MoU; launch with the April–May planning phase.
- 04

First reach — June 2026

First girls receive kits, training, and access to safe disposal at academic year-start.

THE ASK

₹8.04 Cr

For one full academic year of statewide delivery. Full, partial, or component-specific commitments welcomed.

OR SCOPE DOWN THE PARTNERSHIP

₹1.38 Cr ALL 550 INCINERATORS	₹68.75 L STATEWIDE AWARENESS	₹2.92 L ADOPT 1 INSTITUTION
---	--	---

NEXT STEP

Sign the MoU. Reach the first girls by June.

[\[email_protected\]](#)

No girl should miss school *because of her period.*

No campus should lack a safe way to dispose of menstrual waste. Your CSR partnership makes both possible — for 1,23,000 girls, across 275 institutions, starting this academic year.
